FACTS 2007-2008

## THE UNIVERSITY OF SOUTH FLORIDA

The University of South Florida is one of Florida's top three public research universities. Established in 1956, it is operated under the laws of the State of Florida and governed by the Florida Board of Governors and the USF Board of Trustees.

USF provides undergraduate and graduate students with opportunities to participate in research and to seek solutions to local, national and global problems.

USF is committed to providing students with high quality learning opportunities, building community and business partnerships, and research for discovery and innovation. Successes in these endeavors led to dual designations for USF by the Carnegie Foundation for the Advancement of Teaching as a Very High Research and a Community Engaged university.

USF serves more than 45,000 students on campuses in Tampa, St. Petersburg, Sarasota-Manatee, and Lakeland. It is focused on these strategic priorities:

- Student Success
- Research and Innovation
- Community Engagement
- Global Literacy and Impact
- Integrated, Interdisciplinary Inquiry
